Median	1.12
Mean	1.59
3rd Qu.	2.01
Max.	6.05
SD	1.23

Variable name: pharmanegotiate_noninterfere

Full text: Do you [support or oppose] a policy removing the noninterference clause that stops Medicare from negotiating drug prices? This would allow the federal government to negotiate the price of drugs with pharmaceutical companies.

Response	Value
Strongly support	1
Somewhat support	2
Somewhat oppose	4
Strongly oppose	5
Not sure	6

Variable name: drug_test_wave15_1_copy

Full text: Next, you will read some statements arguing for allowing the federal government to revoke pharmaceutical patents to make it easier to manufacture generic alternatives. Please rank those arguments from 1 to 5, with 1 representing 'most convincing' and 5 representing 'least convincing,' or if you don't find any of these convincing: Other countries permit the hasty development of generic alternatives and the pharmaceutical industry does just fine in those countries.

Response	Value
1	1
2	2
3	3
4	4
5	5

Variable name: drug_test_wave15_2_copy

Full text: Next, you will read some statements arguing for allowing the federal government to revoke pharmaceutical patents to make it easier to manufacture generic alternatives. Please rank those arguments from 1 to 5, with 1 representing 'most convincing' and 5 representing 'least convincing,' or if you don't find any of these convincing: America's pharmaceutical industry is doing just fine, with profits and salaries high enough that it's time to put consumers before drug executives.

Response	Value
1	1
2	2
3	3
4	4
5	5

Variable name: drug_test_wave15_3_copy

Full text: Next, you will read some statements arguing for allowing the federal government to revoke pharmaceutical patents to make it easier to manufacture generic alternatives. Please rank those arguments from 1 to 5, with 1 representing 'most convincing' and 5 representing 'least convincing,' or if you don't find any of these convincing: The pharmaceutical industry's profits are obscene, and it is a matter of moral justice to allow Americans access to affordable drugs from generic providers.

Response	Value
1	1
2	2
3	3
4	4
5	5

Variable name: drug_test_wave15_4_copy

Full text: Next, you will read some statements arguing for allowing the federal government to revoke pharmaceutical patents to make it easier to manufacture generic alternatives. Please rank those arguments from 1 to 5, with 1 representing 'most convincing' and 5 representing 'least convincing,' or if you don't find any of these convincing: Patents are granted by the government to companies as a privilege, not a right. If these companies are abusing these privileges in the government's eyes through high prices they should lose those privileges.

Response	Value
1	1
2	2
3	3
4	4
5	5

Variable name: drug_test_wave15_5_copy

Full text: Next, you will read some statements arguing for allowing the federal government to revoke pharmaceutical patents to make it easier to manufacture generic alternatives. Please rank those arguments from 1 to 5, with 1 representing 'most convincing' and 5 representing 'least convincing,' or if you don't find any of these convincing: Permitting the hasty development of generic drugs will ultimately enrich America's pharmaceutical industry, as patented American drugs are too expensive to be profitable in other countries.

Response	Value
1	1

Response	Value
2	2
3	3
4	4
5	5

Variable name: licensing_drugs

Full text: Would you [support or oppose] a policy allowing the government to revoke patents from pharmaceutical companies if those companies charge prices for their drugs that are too high for most people to afford them?

Response	Value
Strongly support	1
Somewhat support	2
Somewhat oppose	4
Strongly oppose	5
Not sure	6
