

NB: subgroups with a n-size less than 50 (<50) are not shown on these cross-tabs. We choose not to display N<50 subgroups because the sample is too small to have statistical significance. We did, however, take samples of these subgroups for representational and weighting purposes to accurately reflect the electorate makeup. Some values may not add up to 100 due to rounding.

Were you or anyone in your household directly helped by the "Coronavirus Aid, Relief, and Economic Security Act" or CARES Act passed in March?

Response	Topline	Democrat	Independent / Third Party	Republican	Female	Male	Under 45	45+	No College	College	Black or African American	Hispanic or Latino/a	White

The "Health and Economic Recovery Omnibus Emergency Solutions Act" or HEROES Act is a \$3 trillion dollar bill which includes increasing aid for state, local, and tribal governments to fund education and public services, extending pandemic unemployment insurance benefits through January 2021, protections for essential workers, food assistance, and provides more direct payments to Americans. Do you support or oppose the HEROES Act?
