From October 27 to November 1, 2020, Data for Progress conducted a survey of 926 likely voters in Texas using SMS and web panel respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is ±3.2 percentage points.

N=926 unless otherwise specified. Some values may not add up to 100 due to rounding.
