### Presidential: Democrat Joe Biden v. Republican Donald Trump

- All voters: Democrat 45%, Republican 50%

### Senate: Democrat Jaime Harrison v. Republican Lindsey Graham v. Constitution Party Bill Bledsoe

- All voters: Democrat 44%, Republican 45%, Constitution Party 9%

**SOUTH CAROLINA PRESIDENTIAL**

In South Carolina, Trump leads Biden by 5 points (50 percent Trump, 45 percent Biden). South Carolina went for Trump by 12 percentage points in 2016 (53 percent Trump, 41 percent Clinton).
POLICIES

Voters in this state broadly support Democratic policy priorities. By a 25 percentage point margin, they favor extending Coronavirus relief until the unemployment rate falls back to where it was before the crisis (55 percent support, 30 percent oppose). 73 percent support a jobs program to help build infrastructure and public health to recover from the coronavirus emergency. Providing additional funding to the USPS to deliver essential needs is also popular, with support among 75 percent of likely voters. We find 52 percent support for federal investments to achieve a 100% carbon free electricity sector.

METHODOLOGY

From 9/23/2020 to 9/28/2020, Data for Progress conducted a survey of 824 likely voters in South Carolina using web panel and SMS respondents. The sample was weighted to be representative of likely voters by age, gender, education, race, and voting history. The survey was conducted in English. The margin of error is +/- 3.4 percentage points.
